PTI Press Release

BRIAN WASLO NAMED APPLICATION ENGINEER AT PROCESS TECHNOLOGY

Process Technology is proud to announce that Brian Waslo has accepted the position of Applications Engineer in our Colorado office.

A Nitty Lion at heart, Brian is a graduate of Penn State University with a B.S. Degree in Chemical Engineering. He brings over 12 years' experience to PTI, primarily in the oil and gas industry. In his most recent position, Brian provided field and engineering support for the startup of various gas processing facilities. He is attentive to his customers' needs and believes building and maintaining solid customer relations is a key attribute to overall success. "Being able to have the opportunity to share my knowledge and skill set with an accomplished company, such as PTI, is something I am excited about."

In his free time, Brian is an avid outdoorsman. Mountain biking, hiking the 50+ "14'ers" located in Colorado and spending time on his family's farm in Pennsylvania are a few of his true passions.

Welcome to the PTI family Brian!

Regards,

Chris Wheat
